

Walker 1 & 2

New Collections

Simplistic yet striking, the Walker 1 and 2 collections from Elements add a balanced look to any space. The long, clean lines and rounded underbelly of this pull make it both aesthetically pleasing and comfortable to grip.

Four standard pull lengths are available in two widths, 3/4" (Walker 1) and 1/2" (Walker 2), allowing a variety of design options. Rounding out the offering are square knobs in two sizes and a 12" appliance handle. With five different finishes, including matte black and two gold tones, there is something for every style.
