

# FINISH CARE FOR WESLOCK PRODUCTS

## *Suggested Cleaning Procedures (For Exterior and Interior)*

These are suggested procedures and will provide you with the best results for maintaining your hardware for many years. Particular care should be taken to avoid paint residue, paint thinners and all cleaning agents and solvents, as they will facilitate the erosion of your protective coatings and subject the finish to oxidization and discoloration, voiding any and all warranties\*\* available to the original residential user of Weslock products.

Grade 2 – Molten Bronze, Elegance and Traditionale Products	
Bright Chrome and Satin Chrome	First, gently wipe with a clean, soft, non-abrasive, damp cloth. If heavily soiled, use the damp cloth to gently apply a mild hand soap, such as Dove or Dial brands, or a small dab of toothpaste, such as Crest or Colgate brands. Be sure to remove all soap and paste before next step.
	Second, wipe off with a clean, soft, non-abrasive, dry cloth.
Oil Rubbed Bronze and Black	First, gently wipe with a clean, soft, non-abrasive, damp cloth
	Second, apply 1/8 teaspoon or less of vegetable oil, such as Crisco brand, onto a clean, soft, non-abrasive, dry cloth and wipe gently until all oil is absorbed.
	Third, apply a paste wax, such as Turtle brand, onto a clean, soft, non-abrasive, dry cloth and wipe gently, then buff until all paste wax is absorbed.
	Fourth, wipe off with a clean, soft, non-abrasive, dry cloth.
All Other Finishes	First, gently wipe with a clean, soft, non-abrasive, damp cloth. If heavily soiled, use the damp cloth to gently apply a mild hand soap, such as Dove or Dial brands. Be sure to remove all soap before next step.
	Second, wipe off with a clean, soft, non-abrasive, dry cloth.
Grade 3 – Premiere Essential and Transitional Products	
All Finishes (Lacquered and/ or Clear-Coated Finishes)	First, gently wipe with a clean, soft, non-abrasive, damp cloth. If heavily soiled, use the damp cloth to gently apply a mild hand soap, such as Dove or Dial brands. Be sure to remove all soap before next step.
	Second, wipe off with a clean, soft, non-abrasive, dry cloth.

## *\*\*General Information / Terms and Conditions of Sale*

### *Limited Warranties*

A finish deterioration occurring from the use of paints, solvents, or other chemicals is not a defect in the finish and is not covered by this warranty.
